

182 VALLEY DR, Doonan

UNDER CONTRACT

Situated on 1.5 level acres in a fervently sought after location in Doonan is one of Noosa Hinterlands most iconic properties. Designed by the much applauded architect Stephen Kidd, Liberty Hall was built on one level for ease of access and uniquely designed to take in maximum light and air flow without compromising on privacy.

Almost the entire north facing side of the house consists of glass stacker doors and mitred glass walls overlooking a sparkling pool, lush lawn and tropical gardens, set just high enough above the Noosa Valley Golf Course's third fairway to provide absolute privacy.

Classical architectural overtones pervade the interior, allowing for many possible styles of interior decorating.

The well formulated floor plan works at a functional level with en-suited bedrooms throughout, two with dressing rooms, two with built in robes and three with garden views.

The guest quarters lies at one end, the master suite at the other and the central open plan living flows out to a large undercover entertainment area and wide verandahs that span the entire length of the home.
