MODERN STYLE WITH MAGNIFICENT VIEWS

With uninterrupted views across the ranges, all the way to the ocean at Mooloolaba "Windsong" is truly the unsung hero of the hinterland.

Attention to design and creative detail has given rise to a home of beauty and ease of living. Oversized windows throughout, high ceilings and a large open plan living area that opens up to an undercover entertainment deck allow the expansive panorama of views and hinterland breezes to flow through the home.

The master suite offers the luxury of lying in bed looking out over the world in complete privacy and includes an ensuite with travertine basins and plenty of natural light.

A generous guest room offers beautiful pool views and could double as another living area if preferred.

The resort style pool area offers yet another outdoor entertainment option complete with poolside gazebo, spa, pizza oven and wet bar.
