This is a home that hugs you as you enter. An impressive hug.

Black Japan polished floors, period features and a crisp white palette exudes style and elegance as you enter the home. Multiple reception rooms provide flexibility and lead past a two-way fireplace to an expansive living and dining area and the alfresco deck beyond.

A newly renovated kitchen, overlooking the open plan lounge, dining and deck features marble bench tops and Hamptons style cabinetry. With a butler's pantry, 900mm commercial-style gas cooktop and oven, microwave combo, dishwasher, servery window to the deck and plenty of storage, this kitchen is style and function personified.

The stunning master suite boasts period bay window, oversized walk-in robe and a gorgeous en-suite with spa tub, in floor heating and a private deck. Another bedroom adjacent could provide accommodation, study or a snug.

Two further bedrooms off the hallway have a shared lounge / office area and a bathroom. Downstairs features a self-contained / dual-living (potential holiday rental) area with lounge, private entrance, 2 x bedrooms, kitchenette and bathroom.

Outside, beautifully landscaped gardens surround the resort style swimming pool and vast areas for entertaining.

It's almost impossible to fathom that the spectacular beaches of Noosa through to Coolum are just a 15 minutes drive away (or two minutes by helicopter), but then again, the Coral Sea is there for you in the view.

This is a once in a lifetime opportunity to secure the epitome of style, elegance, acreage and views, all so close to everything Noosa has to offer.
